LEGISLATION CONSIDERED BENEFICIAL TO BE ENACTED (LAW)

I. LEGISLATION CONSIDERED BENEFICIAL TO BE ENACTED IN PERIOD 2007-2008 (01/10/2007 – 30/09/2007)

Reference No.	Name of the Legislation to be Amended/Enacted	Objective/Scope	Stage	EU Legislation Envisaged to Comply with	Institution Responsible for the Preparation of the Legislation
15.0007.1.01	Turkish Petroleum Law	Assurance of rapid, continuous and efficient prospection, exploration and improvement and processing of the country resources Identification of the procedures and principles of collection, evaluation and introduction for use of information and data required for exploration and production of oil and natural gas, and regulation, direction, promotion of oil and natural gas exploration and production activities in Turkey	At the GNAT (The President of the Republic returned it back to the GNAT for revision of certain articles)	Directive 94/22/EC on the conditions for granting and using authorizations for the prospection, exploration and production of hydrocarbons	Ministry of Energy and Natural Resources General Directorate of Petroleum Works
15.0007.1.02	Energy Efficiency Law	Increasing the efficiency of the energy resources and energy use for effective use of energy, prevention of extravagancy, mitigation of the burden of energy costs on the economy, and protection of the environment	At the GNAT (The President of the Republic returned it back to the GNAT for revision of certain articles)	- Directive 2006/32/EC of the European Parliament and of the Council on energy end-use efficiency and energy services and repealing Council Directive 93/76/EEC - Directive 2002/91/EC of the European Parliament and of the Council relating to the energy performance of buildings	Ministry of Energy and Natural Resources General Directorate of Electrical Power Resources Survey and Development Administration

15 – ENERGY

Reference No.	Name of the Legislation to be Amended/Enacted	Objective/Scope	Stage	EU Legislation Envisaged to Comply with	Institution Responsible for the Preparation of the Legislation
15.0708.1.01	Law on Amendment to the Electricity Market Law	Identification of rules on monitoring and application of safeguards in the electricity sector	Technical studies are in progress	Directive 2005/89/EC concerning measures to safeguard security of electricity supply and infrastructure investment	Ministry of Energy and Natural Resources
15.0708.1.02	Law on the Establishment of the Authority of a National Oil Stock Agency and its Organization	<p>Assurance of continuity and sustainability of the oil market through supply of crude oil and petroleum products from domestic and foreign resources, minimization of difficulties that might appear in oil markets in case of crisis or extraordinary circumstances and fulfillment of obligations arising from international disputes</p> <p>Rights and obligations of all real and legal persons in relation to the maintenance of national oil stocks, procedures and principles regarding the establishment of the authority of a National Oil Stock Agency</p>	Technical studies are in progress	<ul style="list-style-type: none"> - Directive 2006/67/EC imposing an obligation on Member States to maintain minimum stocks of crude oil and/or petroleum products - Decision No. 68/416/EEC on the conclusion and implementation of individual agreements between Governments relating to the obligation of Member States to maintain minimum stocks of crude oil and/or petroleum products - Directive 73/238/EEC on measures to mitigate the effects of difficulties in the supply of crude oil and petroleum products - Directive 77/706/EEC on the setting of a Community target for a reduction in the consumption of primary sources of energy in the event of difficulties in the supply of crude oil and petroleum products 	Ministry of Energy and Natural Resources

15 – ENERGY

Reference No.	Name of the Legislation to be Amended/Enacted	Objective/Scope	Stage	EU Legislation Envisaged to Comply with	Institution Responsible for the Preparation of the Legislation
15.0708.1.03	Nuclear Law	Establishment of nuclear and radiation safety and security principles; definition of duties, authorities and responsibilities of Turkish Nuclear Regulatory Authority (TNRA) to regulate activities related to the peaceful use of nuclear energy and ionizing radiation in the country and of the Turkish Atomic Energy Authority (TAEA) to conduct research, technology development and implementation studies in relation to such activities.	Technical studies are in progress	Convention on Nuclear Safety	Ministry of Energy and Natural Resources Turkish Atomic Energy Authority

15 – ENERGY

II. LEGISLATION CONSIDERED BENEFICIAL TO BE ENACTED IN PERIOD 2008-2009 (01/10/2008 – 30/09/2009)

Reference No.	Name of the Legislation to be Amended/Enacted	Objective/Scope	Stage	EU Legislation Envisaged to Comply with	Institution Responsible for the Preparation of the Legislation
15.0809.1.01	Law on Amendment to the Natural Gas Market Law	Regulation of the issues relating to the importation by private sector and liberalization of the market Measures to be taken in case of extraordinary situation or crisis in the natural gas sector		- Directive 2003/55/EC concerning common rules for the internal market in natural gas and repealing Directive 98/30/EC - Directive 2004/67/EC concerning measures to safeguard security of natural gas supply	Ministry of Energy and Natural Resources
15.0809.1.02	Basic Law on Medical Exposure	Drafting of the Basic Law on Medical Exposure covering all sorts of radiation related to diagnosis and treatment		- Council Directive 96/29/Euratom laying down basic safety standards for the protection of the health workers and the general public against the dangers arising from ionizing radiation - Council Directive 97/43/Euratom on health protection of individuals against the danger of ionizing radiation in relation to medical exposure, and repealing Directive 84/466/Eurotom	Ministry of Health

15 – ENERGY

III. LEGISLATION CONSIDERED BENEFICIAL TO BE ENACTED IN YEARS 2009 (01/10/2009) – 2013

Reference No.	Name of the Legislation to be Amended/Enacted	Objective/Scope	Stage	EU Legislation Envisaged to Comply with	Institution Responsible for the Preparation of the Legislation
15.0913.1.01	Law on the Extension of Use of Biofuels	Aims at promotion of the use of biofuels produced from domestic agricultural products within the perspective of full membership to the EU.		Directive 2003/30/EC on the promotion of the use of biofuels or other renewable fuels for transport	Ministry of Energy and Natural Resources
15.0913.1.02	Cogeneration Law	Implementations relating to the promotion of cogeneration and efficient energy production provided for in the Electricity Market Law (No: 4628) and the Energy Efficiency Law		Directive 2004/8/EC on the promotion of cogeneration based on a useful heat demand in the internal energy market	Ministry of Energy and Natural Resources

15 – ENERGY

SECONDARY LEGISLATION (REGULATIONS, IMPLEMENTING REGULATIONS, COMMUNIQUÉS, CIRCULARS, ETC) ENVISAGED TO BE ENACTED AND DOCUMENTS SUCH AS STRATEGIES, PLANS AND PROGRAMS ENVISAGED TO BE DRAFTED

I. SECONDARY LEGISLATION ENVISAGED TO BE ENACTED IN YEAR 2007

Reference No.	Name of the Secondary Legislation to be Amended/Enacted	Objective/Scope	Stage	EU Legislation Envisaged to Comply with	Institution Responsible for the Preparation of the Legislation
15.2007.2.01	Implementing Regulation on Increasing the Energy Efficiency (Shall be enacted according to the Energy Efficiency Law, with Reference No. 15.0007.1.02)	Regulations in relation to the energy efficiency in Turkey, authorizations, efficiency in production and use of electricity, support to the projects, energy management and implementations relating to voluntary agreements	Technical studies are in progress	Directive 2006/32/EC of the European Parliament and of the Council relating to energy end-use efficiency and energy services and repealing Council Directive 93/76/EEC Directive 2002/91/EC of the European Parliament and of the Council relating to the energy performance of buildings	Ministry of Energy and Natural Resources Electrical Power Resources Survey and Development Administration
15.2007.2.02	Implementing Regulation on Energy Management in Schools of the Ministry of National Education (Shall be enacted according to the Energy Efficiency Law, with Reference No. 15.0007.1.02)	Establishment of energy management systems in schools and assignment of energy managers in buildings owned by the Ministry of National Education	Technical studies are in progress	Directive 2006/32/EC of the European Parliament and of the Council on energy end-use efficiency and energy services and repealing Council Directive 93/76/EEC Directive 2002/91/EC of the European Parliament and of the Council relating to the energy performance of buildings	Ministry of National Education

15 – ENERGY

Reference No.	Name of the Secondary Legislation to be Amended/Enacted	Objective/Scope	Stage	EU Legislation Envisaged to Comply with	Institution Responsible for the Preparation of the Legislation
15.2007.2.03	Implementing Regulation on the Use of Energy Equipment and Support to the SMEs (Shall be enacted according to the Energy Efficiency Law, with Reference No. 15.0007.1.02)	Prevention of use of inefficient products, assurance of minimum efficiency standards of equipments (boilers, burners, etc.) in combustion plants, electricity appliances, air-conditioners and electrical engines, and support to the SMEs	Technical studies are in progress	Directive 2006/32/EC of the European Parliament and of the Council on energy end-use efficiency and energy services and repealing Council Directive 93/76/EEC Directive 2002/91/EC of the European Parliament and of the Council relating to the energy performance of buildings	Ministry of Industry and Trade
15.2007.2.04	Implementing Regulation on the Increase of Energy Efficiency in Transportation (Shall be enacted according to the Energy Efficiency Law, with Reference No. 15.0007.1.02)	Measures relating to increasing energy efficiency in transportation, promotion of mass transportation, use of developed signalization systems, reducing the unit fuel consumption of vehicles, improvement of standards	Technical studies are in progress	Directive 2006/32/EC of the European Parliament and of the Council on energy end-use efficiency and energy services and repealing Council Directive 93/76/EEC	Ministry of Transport

15 – ENERGY

Reference No.	Name of the Secondary Legislation to be Amended/Enacted	Objective/Scope	Stage	EU Legislation Envisaged to Comply with	Institution Responsible for the Preparation of the Legislation
15.2007.2.05	Amendment to the Communiqué on Energy Labeling of Household Electric Refrigerators, Deep-Freezers, Refrigerators and Deep-Freezers and their Combinations	Transposition into our domestic law of amendments, made by the EU due to technological developments, introducing A Plus and A Plus Plus regulations to energy labeling of refrigerators	Technical studies are in progress	Commission Directive 94/2/EC amended by 2003/66/EC and implementing Council Directive 92/75/EEC with regard to energy labeling of household electric refrigerators, freezers and their combinations	Ministry of Industry and Trade
15.2007.2.06	Implementing Regulation on Amendment to Implementing Regulation on Energy Labeling of Household Air-conditioners	Approval of the replacement of the standards no. TS-EN 814 and 255 with standard no. TS-EN 14511 as the Turkish standard	Technical studies are in progress	Commission Directive 2002/31/EC implementing Council Directive 92/75/EEC with regard to energy labeling of household air-conditioners	Ministry of Industry and Trade
15.2007.2.07	Secondary legislation on the Ecodesign Requirements for Energy-Using Products (Also included in the chapter on Free Circulation of Goods, with Reference No. 01.2007.2.22)	Integration of certain criteria which contributes to the protection of the environment at the design stage of products (such as TV) within the scope of the abovementioned Directive		Directive 2005/32/EC establishing a framework for the setting of ecodesign requirements for energy-using products and amending Council Directive 92/42/EEC and Directives 96/57/EC and 2000/55/EC of the European Parliament and of the Council	Ministry of Industry and Trade Ministry of Environment and Forestry

15 – ENERGY

II. SECONDARY LEGISLATION ENVISAGED TO BE ENACTED IN YEAR 2008

Reference No.	Name of the Secondary Legislation to be Amended/Enacted	Objective/Scope	Stage	EU Legislation Envisaged to Comply with	Institution Responsible for the Preparation of the Legislation
15.2008.2.01	Basic Safety Standards for the Protection of the Health of Workers and the General Public Against the Dangers Arising from Ionizing Radiation	<p>Establishment of the principles related to the protection of individuals, the society and the environment during the activities conducted for peaceful use of nuclear energy and ionizing radiation</p> <p>Implementations and activities concerning all kinds of facilities, devices, materials and substances relating to nuclear energy, ionizing radiation sources and radioactive wastes, and emergency management.</p>		- Council Directive 96/29/Euratom laying down basic safety standards for the protection of the health of workers and the general public against the dangers arising from ionizing radiation	<p>Ministry of Energy and Natural Resources</p> <p>Turkish Atomic Energy Authority</p>
15.2008.2.02	Implementing Regulation on High-Activity Sealed Radioactive Sources and Orphan Sources	Administrative and technical arrangements in order to protect workers, the general public and environment from hazardous effects of ionizing radiation from high-activity sealed radioactive sources and orphan sources		Council Directive 2003/122/Euratom on the control of high-activity sealed radioactive sources and orphan sources	<p>Ministry of Energy and Natural Resources</p> <p>Turkish Atomic Energy Authority</p>
15.2008.2.03	Implementing Regulation on the Protection of Outside Workers against Ionizing Radiation	Establishment of working conditions in order to protect outside workers exposed to the risks of ionizing radiation during the operations carried out within controlled areas related to applications of ionizing radiation sources and related activities.		Council Directive 90/641/Euratom on the operational protection of outside workers exposed to the risk of ionizing radiation during their activities in controlled areas	<p>Ministry of Energy and Natural Resources</p> <p>Turkish Atomic Energy Authority</p>

15 – ENERGY

Reference No.	Name of the Secondary Legislation to be Amended/Enacted	Objective/Scope	Stage	EU Legislation Envisaged to Comply with	Institution Responsible for the Preparation of the Legislation
15.2008.2.04	Implementing Regulation on Accounting and Control of Nuclear Materials	Covers issues on the safeguards of nuclear materials	Technical studies are in progress	302/2005/Euratom: Commission Regulation No. 302/2005 of 8 February 2005 on the application of Euratom safeguards - Council/Commission statement	Ministry of Energy and Natural Resources Turkish Atomic Energy Authority
15.2008.2.05	Implementing Regulation on National Arrangements in the Event of a Nuclear and Radiological Emergency	<p>Establishment of responsibilities of the relevant ministries, institutions and affiliated agencies during or before or relating to a nuclear and radiological accident or emergency</p> <p>Regulation of the activities relating to health and safety of the general public and the environment</p> <p>Informing those people, other than workers, who are likely to be exposed to ionizing radiation in the event of a possible nuclear and radiological accident or emergency</p>		<p>- Council Decision No. 87/600/Euratom on Community arrangements for the early exchange of information in the event of a radiological emergency</p> <p>- Council Directive 89/618/Euratom on informing the general public about health protection measures to be applied and steps to be taken in the event of a radiological emergency</p> <p>- Council Regulation No. 3954/87 laying down maximum permitted levels of radioactive contamination of foodstuffs and feedingstuffs following a nuclear accident or any other case of radiological emergency</p> <p>- Council Regulation No.</p>	Ministry of Energy and Natural Resources Turkish Atomic Energy Authority

15 – ENERGY

Reference No.	Name of the Secondary Legislation to be Amended/Enacted	Objective/Scope	Stage	EU Legislation Envisaged to Comply with	Institution Responsible for the Preparation of the Legislation
				2218/89 amending Council Regulation No. 3954/87 laying down maximum permitted levels of radioactive contamination of foodstuffs and feedingstuffs following a nuclear accident or any other case of radiological emergency - Commission Regulation (EEC) No. 770/90 on laying down maximum permitted levels of radioactive contamination of feedingstuffs following a nuclear accident or any other case of radiological emergency - Commission Regulation No. 944/89/Euratom laying down maximum permitted levels of radioactive contamination in minor foodstuffs following a nuclear accident or any other case of radiological emergency - Council Regulation (EEC) No. 2219/89 on the special conditions for exporting foodstuffs and feedingstuffs	

15 – ENERGY

Reference No.	Name of the Secondary Legislation to be Amended/Enacted	Objective/Scope	Stage	EU Legislation Envisaged to Comply with	Institution Responsible for the Preparation of the Legislation
				following a nuclear accident or any other case of radiological emergency	
15.2008.2.06	Secondary Legislation relating to the Inspection of State Aids (Also included in the chapter on Competition Policy, with Reference No. 08.2008.2.01)	Following the enactment of the Draft Bill on the Framework, Monitoring and Inspection of State Aids, adoption of a regulation in accordance with the Commission Regulation No. 1407/2002 on State Aid to the Coal Industry		Commission Regulation No. 1407/2002 on state aid to the coal industry	State Planning Organization

15 – ENERGY

III. SECONDARY LEGISLATION ENVISAGED TO BE ENACTED IN YEAR 2009

Reference No.	Name of the Secondary Legislation to be Amended/Enacted	Objective/Scope	Stage	EU Legislation Envisaged to Comply with	Institution Responsible for the Preparation of the Legislation
15.2009.2.01	Implementing Regulation on the Energy Performance of Buildings	Certification of buildings according to their energy performance, promotion of more efficient use of energy in buildings	Technical studies are in progress	Directive 2002/91/EC of the European Parliament and of the Council relating to the energy performance of buildings	Ministry of Public Works and Settlement
15.2009.2.02	Implementing Regulation on Establishments for Radiation Applications in Medicine	Transformation of the Instruction on Radiology, Radiom and Electricity Treatment Undertakings into an Implementing Regulation Establishment of the qualifications required for radiation applications in medicine based on international criteria. Establishment of the measures to be applied in case of non-compliance with the specified criteria		- Council Directive 96/29/Euratom laying down basic safety standards for the protection of the health workers and the general public against the dangers arising from ionizing radiation - Council Directive 97/43/Euratom on health protection of individuals against the danger of ionizing radiation in relation to medical exposure, and repealing Directive 84/466/Eurotom	Ministry of Health

15 – ENERGY

Reference No.	Name of the Secondary Legislation to be Amended/Enacted	Objective/Scope	Stage	EU Legislation Envisaged to Comply with	Institution Responsible for the Preparation of the Legislation
15.2009.2.03	Implementing Regulation on Workers in Medical Radiation	<p>Transformation of the Instruction on Radiology, Radiom and Electricity Treatment Undertakings into an Implementing Regulation</p> <p>Establishment of qualifications of medical radiation workers and principles of radiation protection</p>		<p>- Council Directive 96/29/Euratom laying down basic safety standards for the protection of the health workers and the general public against the dangers arising from ionizing radiation</p> <p>- Council Directive 97/43/Euratom on health protection of individuals against the danger of ionizing radiation in relation to medical exposure, and repealing Directive 84/466/Eurotom</p>	Ministry of Health

15 – ENERGY

Reference No.	Name of the Secondary Legislation to be Amended/Enacted	Objective/Scope	Stage	EU Legislation Envisaged to Comply with	Institution Responsible for the Preparation of the Legislation
15.2009.2.04	Implementing Regulation on Devices Used in Medical Radiation	<p>Transformation of the Instruction on Radiology, Radiom and Electricity Treatment Undertakings into an Implementing Regulation</p> <p>Assurance of delivery of high-quality services by devices used in medical radiation, as provided for by their producers</p> <p>Control of devices used in medical radiation</p>		<p>- Council Directive 96/29/Euratom laying down basic safety standards for the protection of the health workers and the general public against the dangers arising from ionizing radiation</p> <p>- Council Directive 97/43/Euratom on health protection of individuals against the danger of ionizing radiation in relation to medical exposure, and repealing Directive 84/466/Eurotom</p>	Ministry of Health

IV. SECONDARY LEGISLATION ENVISAGED TO BE ENACTED IN YEARS 2010 – 2013

NO LEGISLATIVE MEASURE HAS BEEN ENVISAGED.
