

Organic production**Information on operators****Country:** Turkey**Year:**

2004

Registered operators

(In particular items in bold are important)

Registered operators		
Total number of registered operators		13042
A	Producers only (1)	12806
B	Processors only (2)	
C	Importers only (3)	1
AB	Mixed producers/processors (4)	
AC	Mixed producers/importers (4)	
BC	Mixed processors/importers (4)	
ABC	Mixed producers/processors/importers (4)	235

(1) Producer: organic farms (incl. processing, packaging and initial labeling of own crop and livestock products on the farm)

(2) Processor: operator who preserves and/or processes organic agricultural products (incl. slaughtering and butchering)

Packaging and labeling as organic is also considered as processing.

(3) Importer: operator who imports from a third country organic products with a view to the subsequent marketing

(4) Mixed refers to operators which are involved in more than one of the activities covered by the regulation
