

## **SCREENING CHAPTER 18 STATISTICS**

# **FOOD SAFETY STATISTICS**

**Country Session: The Republic of TURKEY  
17-18 July 2006**

# Overview

Data on organic farming has been received from MARA since 2004

Statistics cover both organic farming and conversion to organic farming at province level:

- Number of holdings
- Area cultivated
- Production

Methodological studies are underway

## Future plans

- collecting data from food industry establishments (structure, quality control systems used etc.) in cooperation with MARA
- analysis of food consumption data obtained from Household Budget Survey
