Objective: To introduce a simplified procedure to amend the references to "officers", "authorities" and "competent Ministries" under the provisions of Articles 40(4) and (5), 41(7) and 65(2) of the Schengen Convention if internal changes and reorganisations were to make the existing reference no longer accurate, without requiring the amendment of the references to be formally adopted by the Council.

Interesting to know: The national bodies concerned with the references "officers", "authorities" and "competent Ministries" under the provisions of Articles 40(4) and (5), 41(7) and 65(2) will be specified under the accession agreement to the Schengen Convention of each of the candidate countries.
