## STUDIES AND PROGRESS

### **Twinning Project on Harmonization And Implementation of EC Directives Related to Special Waste**

(financed under 2004 EU Pre-Accession Financial Assistance)

Technical studies are in progress under this project in collaboration with the Automotive Manufacturer Association.

## COMPETENT AUTHORITY

According to Articles 2 and 9 of the Law No. 4856 on Establishment and Duties of Ministry of Environment and Forestry, the Ministry is the competent authority. In addition, By-law on Hazardous Waste Control states that the Ministry is responsible on the disposal of hazardous substances arising from end of life vehicles.
