

ON – Migration, Inclusion, Integration

Project number: 608414-EPP-1-2019-1-IT-EPPKA2-CBY-ACPALA

Article 3. Summary of the project

§1. Summary of the project

ON - Migration, Inclusion, Integration is a project within the framework of the Key Action 2 of the Erasmus+ Programme, Capacity Building in the Field of Youth, that aims to improve the work of Non-Governmental Organizations in the field of migration, inclusion and development of more open and more tolerant societies. Moreover, the project will exponentially improve social and professional skills of youth workers and, through a wide range of activities based on non-formal education, it aims at initiating a process of personal, professional, social and cultural growth both in the organisations and in all those subjects directly and indirectly involved by them.

The ultimate aim of the project is to empower European and Latin American NGOs in the work of their members and volunteers with groups at risk of social exclusion such as migrants: Europe, in fact, is facing an unprecedented migratory crisis from the African and Middle Eastern continent; on the other hand, Latin America is experiencing very complicated phases at a social and political level due to recent migration and "human caravans" from Central American countries and Venezuela.

Through the skills gained through the activities, the project aims to develop forms of social integration of migrants, anti-racism and tolerance in local communities.
